FOREWORD

As *Notte Bianca* takes place all over this city built by gentlemen for gentlemen, the windows of the *Auberge de Castille* will let in the light over the canvases that remind us of those at the helm of our nation throughout the years. *Former Prime Ministers of Malta* – a name fit for these pages, offering you each and every painting that, on quieter nights, nestles right up there, in the Cabinet Chamber. Every page you turn, Prime Minister after another, will remind you of all that has been achieved for our country in time, also with your contribution as a citizen. Not only does recollection take us back to our past – it engenders faith and hope in what is to come, through our shared effort and our unity.
